

**A blend of satire and seriousness  
Adding a little nuttiness to your day**

All items \$8.00/lb except Choc Rocks.  
Choc Rocks \$11.00/lb  
Minimum purchase 1/4 lb per item.

**Chocolate Rocks (Gold) Milk Choc**

Let's start with chocolate as a prescription for what ails us - a favorite we can all savor together. What does it mean that everybody loves chocolate? Can it be we share humanity?

**Dark Choc covered Peanuts**

Let's satirize race. This is about dark thoughts and nutty interiors. Do we really think we're hiding from each other? Everyone knows we are all crazy humans. Racism is not for whites only. Grab a handful but think. All cultures share racist nonsense.

**Sour Patch Kids (multicolor)**

Multi-cultural tart satire candy is not for all of us. Some taste the sharpness and come back for more - others are disgusted. But we can secretly love it. Try some! This is the perfect blend to be righteous.

**Let's mix ideas like candy  
Smiling problems away**

**Aryan White Diced Coconut (white)**

OK, we're down to the white supremacy satire, but is it really pure Aryan? Of course not - there's coconut. Let's give up what is crazy, buy a bagful and just enjoy it.

**Salt Water Taffy Vanilla (white)**

Our vanilla salt water taffy will bring back fond memories of old time, sea faring colonial days. Some people really like this stuff. Don't condemn it and just throw it away. It's ok for us to be nostalgic, just that we shouldn't exploit anybody.

**Mochi Rice Cakes (Rainbow)**

A sweet Asian dessert treat from a non-western culture. Seriously, what's the matter with us all just getting along?

**Mini Licorice All-sorts (all sorts)**

All sorts says it all. How about enjoying one another?

**We can imagine a better future  
Heal America with play**

**Honey sesame crunch (golden brown)**

The world is golden brown and we just can't see it. There is only one race. Look in the mirror. We are all the same, good & bad.

**12 Flavor Gummy Bears (multi color)**

12 flavors of yummy gummies! You get the idea. Lots of flavors. Yummy.

**Ginger Cuts (light brown)**

Light brown, dark brown - is it that important? Spicy and sweet, so good.

**Organic Lollipops (asst fruits)**

We're all human in assorted flavors of Googly Grape, Strawberry Smash, Tooberry Blueberry, Very Very Cherry, Sour Apple Tart, Pomegranate Pucker, Wet-Face Watermelon, Mango Tango. Take home a bunch.
